My dear Mrs. Manley:-

I received your order
for placards, but you did not state where
the game is to be played.
I am taking it for
granted that you are playing the Red
Caps in Daytona Beach, because you
stated to me that you are going to train
in Daytona Beach. So I am going ahead
with them. I will hold up until
Monday. If the game is played at
Jacksonville give me a call at the
shop, RITTENHOUSE 5278. If I'm
not in there leave a message with the
girl. Please let me know if you have
any ^{ORDER} blanks left. If not, I'll send
you some. You shall get your blotters with
schedules sometime next week.

Let me know when you have for the
South - Also some of your outstanding players.

Sincerely

Mike
P.S. - Please file away my home phone number
DELAWARE 8522 - You can get me any morning from
8 to 12 noon.
